Subject: RE: Interagency Coordination: Fence Monitoring/SCAQMD Presentations

Hi Jessica,

I wanted to see if the Interagency team can receive the contractor's fence monitoring workplan prior to the presentation on Wednesday. For clarification, we are looking for the detailed methodology on the placement of monitors, wind direction considerations and operations, constituents of concern, detection levels, action levels, etc.

Having this information from the contractor will help us understand the findings and analysis presented during the meeting. Can you please forward the request to Eric?

Thank you,

Charlene Contreras, R.E.H.S.
